

Mrs. Boehm's Homework Guidelines

Math (Monday~Thursday):

Each night your child will receive two math pages for homework. The math pages will be marked “P” for Practice and “E” for Enrichment.

- The Practice page is a **MUST DO!**
- The Enrichment page is to **TRY and FINISH** (if it is **NOT** too frustrating) or **TRY and STOP** (if it **IS** too frustrating)!

****** If your child is in the accelerated math program, this does not apply. Their teacher will determine their method of homework******

Reading: (Weekly Reading Homework Sheet)

- Students will record title, genre, pages, and minutes read.
- Students must read a minimum of 100 minutes each week.
- The 100 minutes should be read over multiple days and not in just one sitting.
- If your child reads 20 minutes Monday through Friday for HW that will cover the 100 minutes.
- Weekly Reading Homework Sheet due every **Monday** with parent signature.

Word Study: (Monday~Friday)

- Word Study homework will be completely in Word Study notebook each night.

Social Studies/Science: Will be given regularly...not daily.

If any homework is challenging and requires too much time, please have your child stop. I ask that you (or your child) jot a quick note so that I am aware of the difficulty that he or she is having at home.

Please check your child's agenda and sign it daily.

Thank you.

Grading Homework

√+ or ★	means great work/correct
CR	means correct and return.
😊	means I looked over it

* If your child forgets his/homework, they have until the next day to return it. You will notice the assignment is circled in their agenda to serve as a reminder that the homework has not been handed in or completed.
